

"We took this country by terror away from the Sioux, the Apache, the Aroawak, the Comanche, the Arapaho, the Navajo. Terrorism!

"We took Africans from their country to build our way of ease and kept them enslaved and living in fear. Terrorism! ...

"We bombed Hiroshima! We bombed Nagasaki, and we nuked far more than the thousands in New York and the Pentagon, and we never batted an eye! Kids playing in the playground, mothers picking up children after school, civilians - not soldiers - people just trying to make it day by day.

"We have supported state terrorism against the Palestinians and black South Africans, and now we are indignant? Because the stuff we have done overseas has now been brought back into our own front yard! America's chickens are coming home to roost.

"Violence begets violence. Hatred begets hatred and terrorism begets terrorism."
