WITHOUT END
FOREVER?

How would you live your life differently? Would you worry less about the future or more? Would you pursue your dreams more actively, because you would know you'd live to see them to fruition? Would you be more likely to have children? To fight to change the system? Would you take better care of your body? Would you take better care of the environment? Would you start to believe that politics actually matter or that change is possible? Would you finally start to...

...live for the here and now?

..live for the here and now?

How would you live your life differently? Would you spend more time doing the things you enjoy? Would you tell your family and friends that you love them? Would you appreciate the beauty around you and savor each moment? Would you stop watching television? Would you take the time to smell the flowers or play a game with a child? Would you stop seeing other people as enemies or threats and start seeing them with compassion? Would you finally start to...

WHAT WOULD YOU DO
IF YOU KNEW THE
WORLD
WAS GOING TO
END
IN YOUR LIFETIME?
