Though the Drug Enforcement
Agency and others have been searching
for God for several thousand years, so
far no officer has found Him and
continued to work for the Agency.

We have reason to believe that
GOD IS ARMED AND DANGEROUS.
If you do come in contact with Him,
contact your local law enforcement
agency immediately and do your best
to forget all about the experience.

JUST SAY NO TO DRUGS.

BECAUSE NATURE CAN'T BE TRUSTED.
